

## WHAT is RecorDIM ?

**RecorDIM** is a goodwill alliance between the following Partners:

### RecorDIM's Role:

**RecorDIM is a '5-year Initiative' that brings together Information Users and Providers**

- To identify the nature of the gaps that exist between them,
- To develop strategies to close the gaps and to recommend a framework for action
- To jointly coordinate Partners' task group ventures over the next five years (2002 - 2007).

**RecorDIM's POTENTIAL and SUSTAINABILITY are primarily based on:**

- The commitment from Partner Organizations
- The networks they provide (composed of Users and Providers of information)
- The sharing of knowledge, skills and information between Partners

(RecorDIM ... the activities of Recording, Documentation and Information Management)
