

Getty Staff Parking Update: June 7, 2021

Access to Getty Center/Getty Villa

As of June 1, staff and contractors no longer need to have the green Phase 3 parking placard, or be on the daily access list to gain access to the Center or the Villa for work. Staff and contractors will be admitted as long as they have their Getty Parking Hangtag and ID Badge. Staff who are not already scheduled to be onsite on a regular basis should check with their Program or Department before arriving onsite to work.

TOH Parking

Over the past 15 months, we have been able to open TOH parking to all of the staff and contractors who were coming to the Getty Center, however, more people are returning back onsite and we are starting to occasionally reach our maximum capacity at TOH. We expect that Fridays, Saturdays, and Sundays will be days when all employees and contractors will have access to TOH parking. On Monday through Thursday, we may reach our maximum capacity, and some arrivals with orange hangtags will need to park in NEP parking. We will continue to maximize TOH parking on a first-come, first-serve basis for everyone who works at the Center, but when spaces begin to fill up, vehicles with orange hangtags will be directed to NEP.

California State-Issued Disability Parking Placards

Any staff member with an unexpired California DMV-issued permanent or temporary disability parking placard will be permitted to park in TOH. They may use the accessible parking spaces, or, if none are available may park in any other non-reserved parking space in TOH Parking.

North Entry Parking (NEP) Parking

Previously, staff was instructed to park below level P3. **This policy has now changed and staff are permitted to park on any level of NEP.**

The NEP Mezzanine Parking area was previously reserved for Volunteer/Docent. Many of these spaces have been converted to EV or ADA parking and this area will no longer be reserved for Volunteers/Docents. Staff, docents, and volunteers can park at any level of NEP.

Tram Services

The Tram is operating with expanded hours as follows:

Tuesday–Friday from 7:30 a.m.–6 p.m.

Saturday and Sunday from 9:30 a.m.–6 p.m.

Note: If you arrive at a time when we are open to the public, staff have priority boarding. Show your ID Badge to one of the staff members located at the NEP T1 level to be admitted to the tram boarding area.

Shuttle Services

The following is the current schedule for the Shuttle operation:

NEP/TOH:

Operates Monday through Friday from 4 a.m.–10:30 p.m.

The Shuttle will stop inside the NEP by the elevators on the P1 level from 4 a.m. –10 a.m., and at other times will stop at the outside T1 Shuttle Turnaround. Shuttle departures generally occur every 5 to 10 minutes.

Shuttle drivers are not required to wait until shuttles are filled.

Shuttle departures are reduced after 7 p.m. so wait time may be longer after 7 p.m.

South Gate/TOH:

Operates Monday through Sunday from 7 a.m.–7 p.m.

The Shuttle will stop at the South Kiosk and runs on a continuous loop to the Upper Shuttle Turnaround.
