

## Getty DEI Listening Forums and Learning Sessions

Getty's partners at JONES will be facilitating additional Getty Listening Forums and Learning Sessions.

The Listening Forums are designed to give staff opportunities to learn more about the impact of systemic racism and join in a heartfelt discussion of the issues and actions sparked by the murder of Black people killed by police. These forums will allow you and other staff to share thoughts, feelings and experiences and broaden your understanding of the issues by listening to each other.

Please see below for the list of the sessions, dates, times and links to register. When you register, you will be asked to indicate your preferred choice of date/time and will receive an email once your attendance is confirmed.

Registration for each group of sessions will close a few days prior to the last available date. Once registration is confirmed, further information and Zoom links will be shared.

All forums and learning sessions will take place on Zoom and will not be recorded.
