

Matching Gifts for AAPI Organizations

In light of the rise in hate crimes and harassment against AAPI (Asian American and Pacific Islander) individuals and communities, we are adding more AAPI-led and AAPI-serving nonprofits to the list of suggested organizations eligible to receive donations through the Getty Matching Gifts program. We thank the DEAI Council for sharing this idea in response to staff suggestions.

New national organizations include:

- The Asian American Arts Alliance; the Asian Pacific Islander Cultural Center; the Chinese American Museum Foundation; Kearny Street Workshop; Leviathan Lab; and the Museum of Chinese in America.

Local organizations include:

- East West Players Inc.; Friends of the Chinese American Museum; Go for Broke National Education Center; GYOPO; the Japanese American Cultural and Community Center; the Japanese American National Museum; and the Korean American Museum, Inc.

The updated list will be available later this week [on GO](#). Please note the suggested organizations list is not meant to be exhaustive, and staff are encouraged to research other eligible organizations as outlined in the program policy. The Foundation's Grants Administration division is happy to answer questions about the program anytime and can be reached at GettyMatchingGifts@getty.edu.
